

E-labeling for Lenovo Model TP00076D

FCC ID and IC Certification number

You can find the FCC and IC Certification information through one of the following methods:

P9

- Through an electronic-label screen (E-label screen) preinstalled on your computer. To view the E-label screen, see "Regulatory labels" on page 109.
- On a physical label attached to the outside of your computer shipping carton.

Regulatory labels

Depending on your country or region, government-required regulatory information is provided through one of the following methods:

- On a physical label attached to the outside of your computer shipping carton
- On a physical label attached to your computer
- Through an electronic-label screen (E-label screen) preinstalled on your computer

To access the E-label screen, do one of the following:

- Restart the computer. When the logo screen is displayed, press F9. The E-label screen is displayed.
- Restart the computer. When the logo screen is displayed, press Enter or tap the prompt to enter the Startup Interrupt menu. Then Press F9 or tap the Regulatory Information option. The E-label screen is displayed.
