## F.1 Test Sample

| Sample Front                                                                       | Sample Back                                                                        |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|   |  |
| Laptop Mode                                                                        |                                                                                    |
|  |                                                                                    |

**F.2      Test positions**

| Laptop Mode                                                                       | Laptop Mode – Side View                                                            |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|  |  |

### F.3 Antenna host platform location and adjacent edge positions relative to the body

| Antenna Host Platform Location                                                     | Antenna dimensional information for SAR evaluation                                 |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|   |  |
| Co-location antenna separation                                                     |                                                                                    |
|  |                                                                                    |

#### F.4 Phantom liquid level during measurements

ELI phantom Body liquid SAR Dasy SPEAG MBBL600-6000V6 Batch -160630-01
