D.1 Test Setup

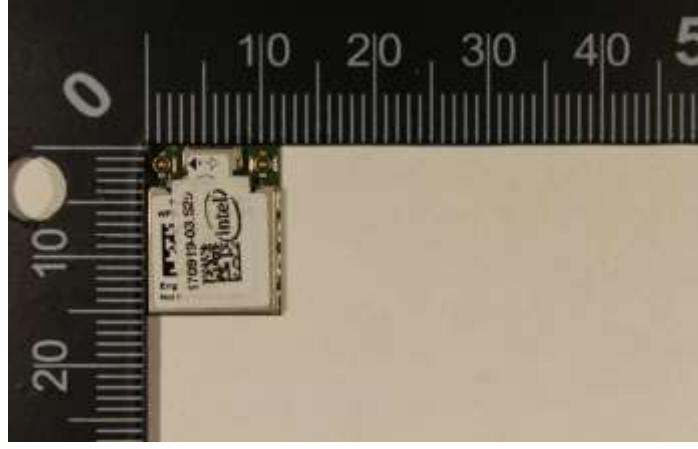

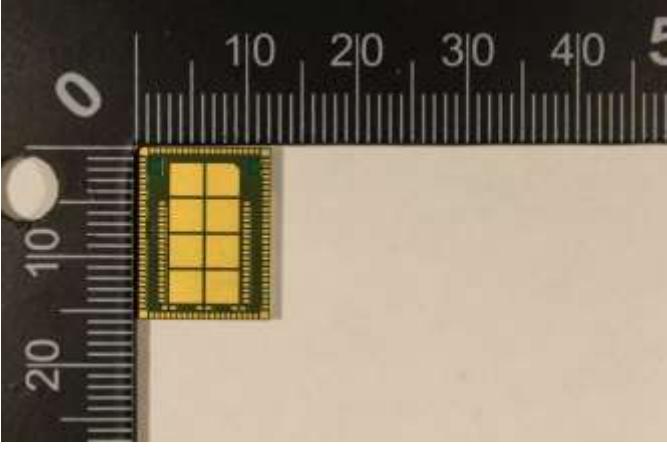

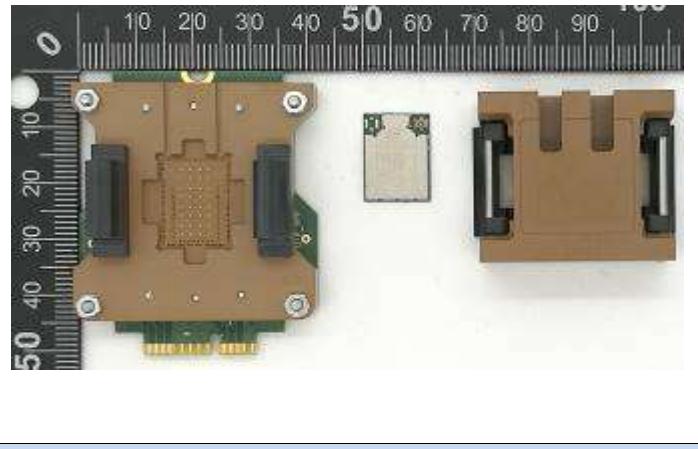

Radiated Test Setup

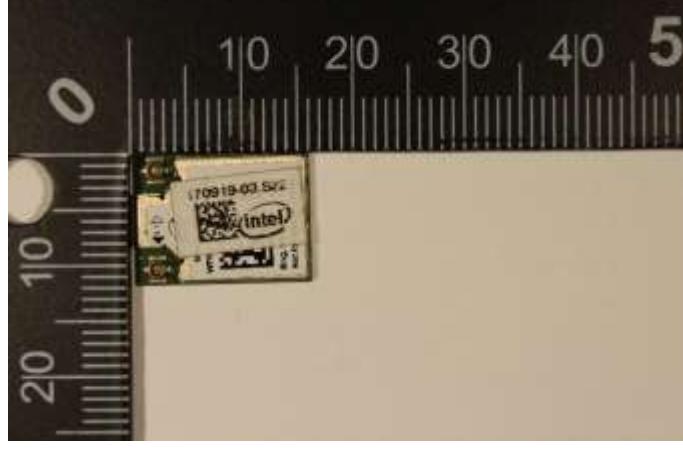

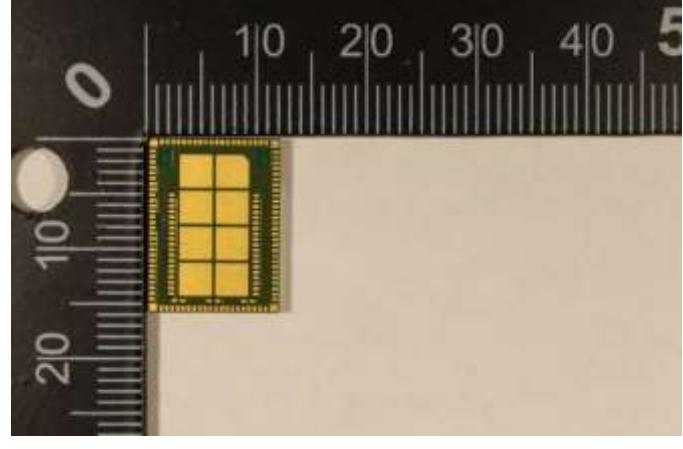

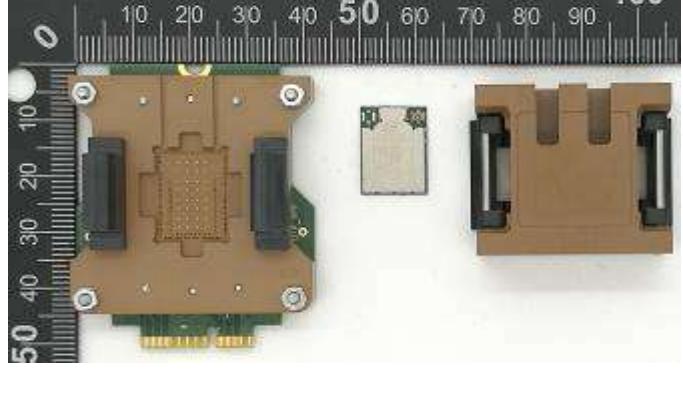

Conducted Test Setup

D.2 Test Sample

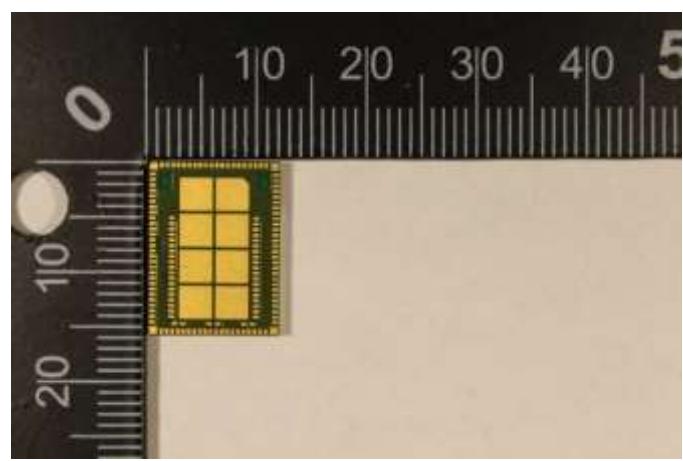

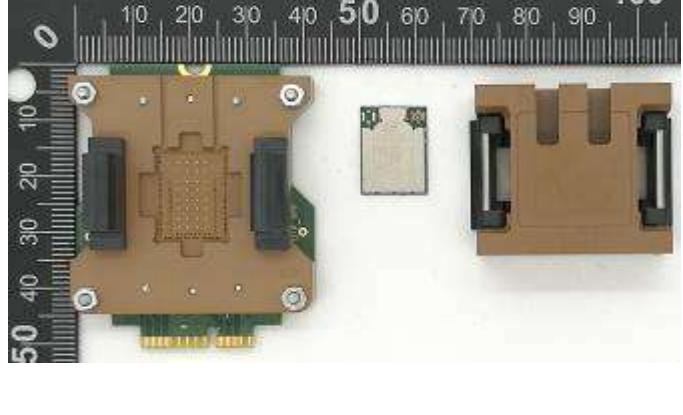

Sample #01

Module Front	Module Back
 A photograph of a small, rectangular module with a white PCB and a central chip. It is placed next to a metric ruler for scale.	 A photograph of the same module from the back, showing the underside of the PCB and the central chip. It is also placed next to a metric ruler.
Socket Front	Socket Back
 A photograph of a green printed circuit board (PCB) with a gold-plated M.2 socket and a smaller component. A metric ruler is shown for scale.	 A photograph of the green PCB from the back, showing the underside of the components and the gold-plated contacts of the M.2 socket. A metric ruler is shown for scale.
Extender board	Laptop
 A photograph of a large green extender board with various components, connectors, and an Intel logo. A metric ruler is shown for scale.	 A photograph of an open laptop computer, showing the keyboard, trackpad, and screen.
