F.3 Antenna host platform location and adjacent edge positions relative to the body

Information provided by the customer

Antenna Host Platform Location Information	Antenna Host Platform Location Information - 2
 <p>The diagram shows a top-down view of a rectangular device. A large rectangle represents the main body. Inside it, a smaller rectangle is positioned towards the top. Below this inner rectangle, there are two vertical lines extending downwards, each labeled '23.4cm'. To the left of the main body, a box labeled 'Main' is connected to the left edge. To the right, a box labeled 'Aux' is connected to the right edge. A horizontal double-headed arrow between the vertical lines is labeled '32.5cm'.</p>	 <p>The diagram shows a side view of the device. A horizontal rectangle represents the base, with a vertical rectangle attached to its right side. The vertical rectangle is labeled 'Antenna'. A horizontal double-headed arrow at the bottom of the base is labeled '234mm'. A vertical double-headed arrow on the right side of the base, near the antenna, is labeled '18.4mm'.</p>
