

Annex F. Photographs

F.1 Test Sample

NGW Module Front : 200928-03.S01  A photograph of the front of an NGW module. The module is a small green printed circuit board (PCB) with various electronic components, including a central chip and several smaller components. It is positioned next to a black ruler with white markings, which shows the module's size. The ruler has markings in centimeters and millimeters.	NGW Module Back: 200928-03.S01  A photograph of the back of the NGW module. The back of the module is a small green PCB with a few components, including a small chip and some solder points. It is positioned next to a black ruler with white markings, showing its size.
Platform Extender: 180000-01.S12  A photograph of a platform extender. It is a large green PCB with many components, including a large central chip, various smaller chips, and numerous connectors. It is positioned next to a black ruler with white markings, showing its size.	Laptop : 170000-01. S15  A photograph of a laptop. The laptop is black and is open, showing the screen and keyboard. It is placed on a white surface, and a black ruler is visible next to it.

F.2 Test positions

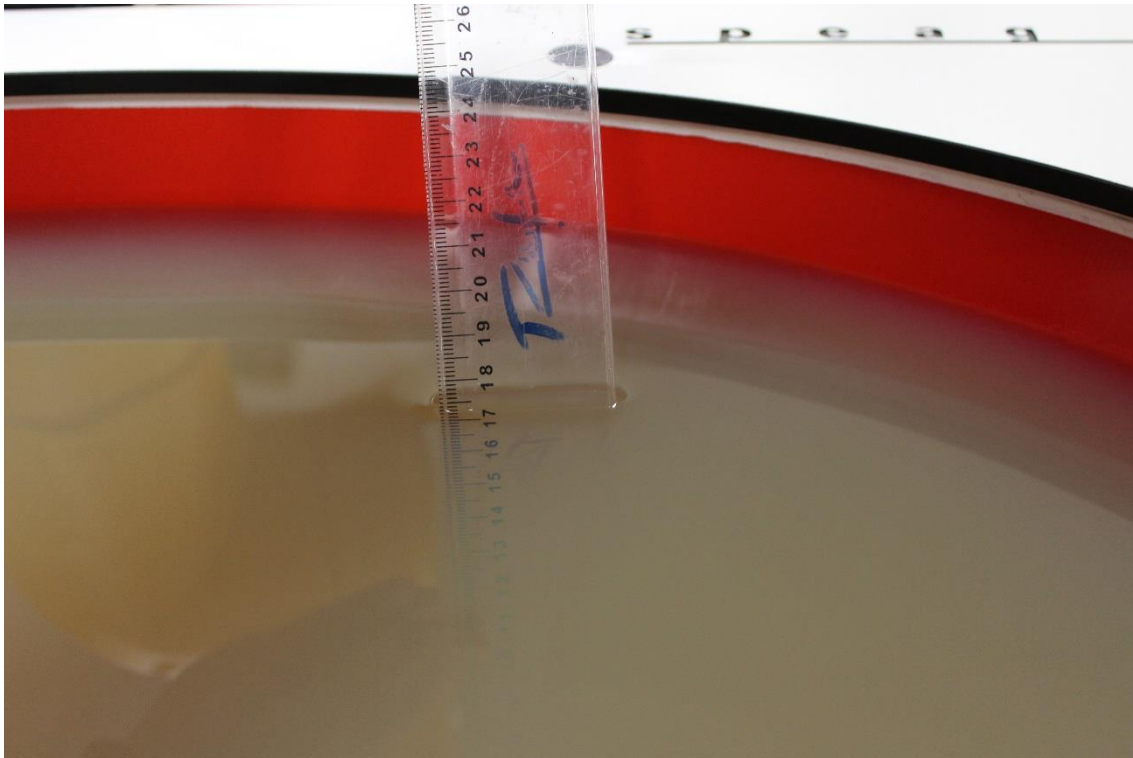

Top Edge 5mm	Bottom Edge 5mm
Left Edge 5mm	Right Edge 5mm
Front Face 5mm	Back Face 5mm

F.3 Antenna host platform location and adjacent edge positions relative to the body

Antenna Front View	Antenna Positions
 The image shows the front view of the antenna host platform. A ruler is placed above the antenna for scale. The antenna is a rectangular blue PCB with a yellow solder mask on the left side. It features the SkyCross logo and the following text: Company Name: SkyCross Electronics (Shenzhen) Co., Ltd. Shanghai Branch, Antenna Type: WIMAX / WLAN, Date: , TEL: +86-21-6434 8850 EXT.101.	 The diagram shows the antenna host platform with its edges labeled: TOP EDGE, BOTTOM EDGE, LEFT EDGE, and RIGHT EDGE. The front face is labeled in red, and the back face is also labeled in red with an arrow pointing to the reverse side. The SkyCross logo is visible on the front face. The text on the front face is: Company Name: SkyCross Electronics (Shenzhen) Co., Ltd. Shanghai Branch, Antenna Type: WIMAX / WLAN, Date: , TEL: +86-21-6434 8850 EXT.101.
General Setup	
 The photograph shows the general setup for the antenna testing. The antenna is mounted on a test fixture, which is connected to a network analyzer. The setup is placed on a table, and the antenna is positioned for measurement.	

F.4 Phantom liquid level during measurements

ELI phantom Body liquid SAR Dasy SPEAG MBBL600-6000V6 Batch – 160630-1
