## F.2 Test positions

Laptop Mode	Laptop Mode – Side View
 A photograph showing a laptop in a horizontal position, resting on a black test fixture. The fixture is mounted on a circular red base. A black valve with a red handle is visible on the left side of the fixture. The background is a plain white wall.	 A photograph showing the same setup from a side perspective. The laptop is held in a horizontal position by the black fixture, which is mounted on the circular red base. The black valve with the red handle is clearly visible on the left side of the fixture.

### F.3 Antenna host platform location and adjacent edge positions relative to the body

#### Information provided by the customer
