Conducted Test Setup

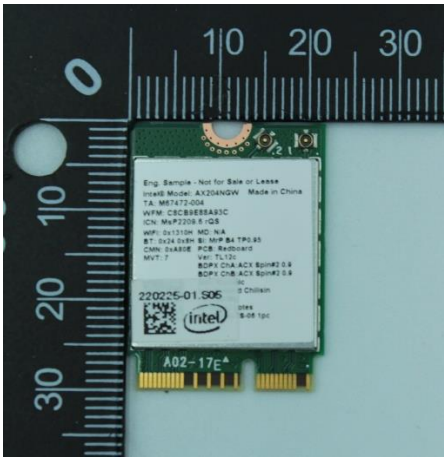

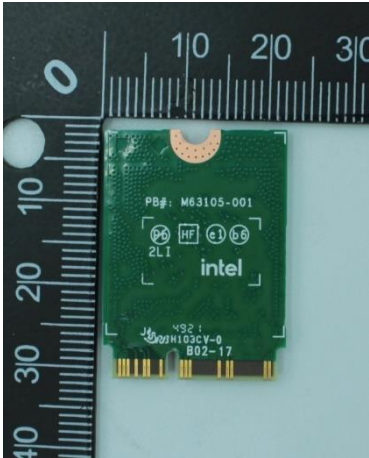

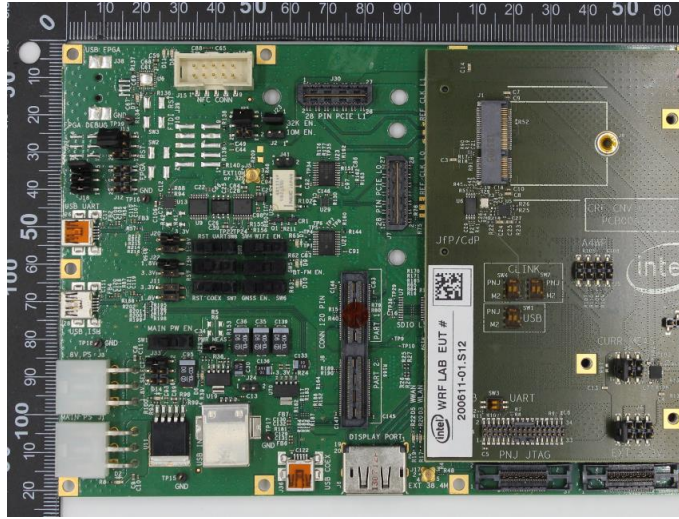

C.2 Test Sample

| Sample #01                                                                          |                                                                                      |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Module Front                                                                        | Module Back                                                                          |
|    |    |
| Adaptor front (with absorber)                                                       | Adaptor back                                                                         |
|   |   |
| Extender board                                                                      | Laptop                                                                               |
|  |  |
| Antenna 1                                                                           | Antenna 2                                                                            |
|  |  |

Sample #02

|                                          |                         |
|------------------------------------------|-------------------------|
| <div>Module Front</div>                  | <div>Module Back</div>  |
| <div>Adaptor front (with absorber)</div> | <div>Adaptor back</div> |
| <div>Extender board</div>                | <div>Laptop</div>       |
| <div>Antenna 1</div>                     | <div>Antenna 2</div>    |

Sample #03

| Module Front                                                                       | Module Back                                                                         |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|   |   |
| Extender board                                                                     | Laptop                                                                              |
