

Statement Declaration:

To whom it may concern,

This statement letter is to declare that the following products:

- *Intel® **BE211NGW***
- *Intel® **BE211NGW M***

Are exact same product.

Both product BE211NGW and BE211NGW M are fully identical and are the exact same hardware:

- same board
- same schematics
- same layout
- same BoM

The only difference on the product BE211NGW M compared to BE211NGW is the 320MHz channels bandwidth feature which is disabled by Eeprom:

- *Intel® **BE211NGW*** supports 320 MHz channels.
- *Intel® **BE211NGW M*** does not support 320MHz Channels.
