

Appendix 1 Product Literature

FULL STATE OF THE ART
INTERNET-READY PC

It's more than a television - more than a PC. The Densitron Cassius Personal Entertainment Centre™ is a revolutionary concept in multi-media technology for your home.

Relax and enjoy the magic of Cassius.

TELETEXT T.V.
AND STEREO RADIO
(15.1 inch TFT screen
equivalent to 17 inch TV view)

It's a television - It's a DVD/VCD Video Player
- It's a CD Player and FM Radio - It's a Digital Stereo System and it's a powerful Personal Computer. All in one amazingly compact package - only 2½ inches deep. It's possibly the world's smallest footprint all-in-one PC.

DVD PLAYER

Its superb design and styling will grace any room, with wall mounting being an option. With internal power supply and RF Receiver, there is no unsightly wiring giving you complete freedom to use the full-size wireless keyboard and mouse wherever you want.

NO UNSIGHTLY CABLING -
JUST PLUG AND PLAY

Densitron's Cassius brings the world of multi-media to the 21st Century.

**Cassius by Densitron -
The New Shape of
Entertainment and
Computing**
