

## Change of identification authorization

**Related to the FCC IDs: NCMOMO0402-2 and PDNOMO0402-2**

To whom it may concern,

We, Option NV (FCC grantee code NCM), hereby authorize Nokia Corporation (FCC grantee code PDN) to apply to the FCC for a change in identification as specified under 47CFR 2.933 of the FCC Rules.

This authorization applies solely for a change in identification to the Option NV HSxPA Broadband module with FCC ID: NCMOMO0402-2 to the Nokia FCC-ID: PDNOMO0402-2.

The equipments NCMOMO0402-2 and PDNOMO0402-2 are electrical identical. Only the model name, trade name and FCC ID number are different.

The original grant to Option NV for FCC ID: NCMOMO0402-2 will remain in effect.
