**File Number:** *FCC ID: PDVRFLAN*  
**Subject:** *Application for Grant of Equipment Authorization*

To Whom It May Concern,

The enclosed documents constitute a formal submittal and application for a Grant of Equipment Authorization pursuant to Part 2.938 and 15.201 of the Rules and Regulations of the FCC, regarding Intentional Radiators.

The data in this report demonstrates that the equipment tested complies with the FCC Part 15, Subpart B & Subpart C (Open Field Radiated Emissions, Occupied Bandwidth, Maximum Peak Output Power and Transmitted Power Density, Radiated Harmonics and Spurious Emissions) test limits for devices operating under the provisions of this part.

This application was prepared by International Technology Company (ITC). If there are any questions or if further information is needed, please call us at (925) 862-2944 or fax (925) 862-9013. Thank you.

Yours sincerely,
