Subject: ***Request for Confidentiality Revisited***

To Whom It May Concern,

Pursuant to 47CFR 0.457(d) of the commissions rules and section 552(b)(4) of the Freedom of Information Act (which authorizes the withholding from public inspection; materials which would be privileged as a matter of law, such as trade secrets), we are hereby requesting that the following documents are to be handled with confidentiality and removed from display on the FCC Status Query Form Display of Exhibits:

- Schematics (all pages)
- Block Diagram

Please be advised that the necessary fees for confidentiality request have been remitted at the time of application submittal.

If there are any questions or if further information is needed, please call us at (925) 862-2944 or fax (925) 862-9013. Thank you.

Yours sincerely,
