

A silver Philips cordless phone system is shown on a green grid surface. The system includes a charging base with a handset resting on top. The base has a large speaker grille and a control panel with a digital display showing '88', several function buttons (Mute, Hold, Transfer, Forward, Back, Redial, Speed, Park, Hold, Transfer, Forward, Back, Redial, Speed, Park), and a power button. A separate black power adapter with a coiled cable is positioned to the left of the base. The adapter has a label with technical specifications and safety warnings. The entire setup is placed on a green cutting mat with a white grid pattern.
