

## 8-2. Internal

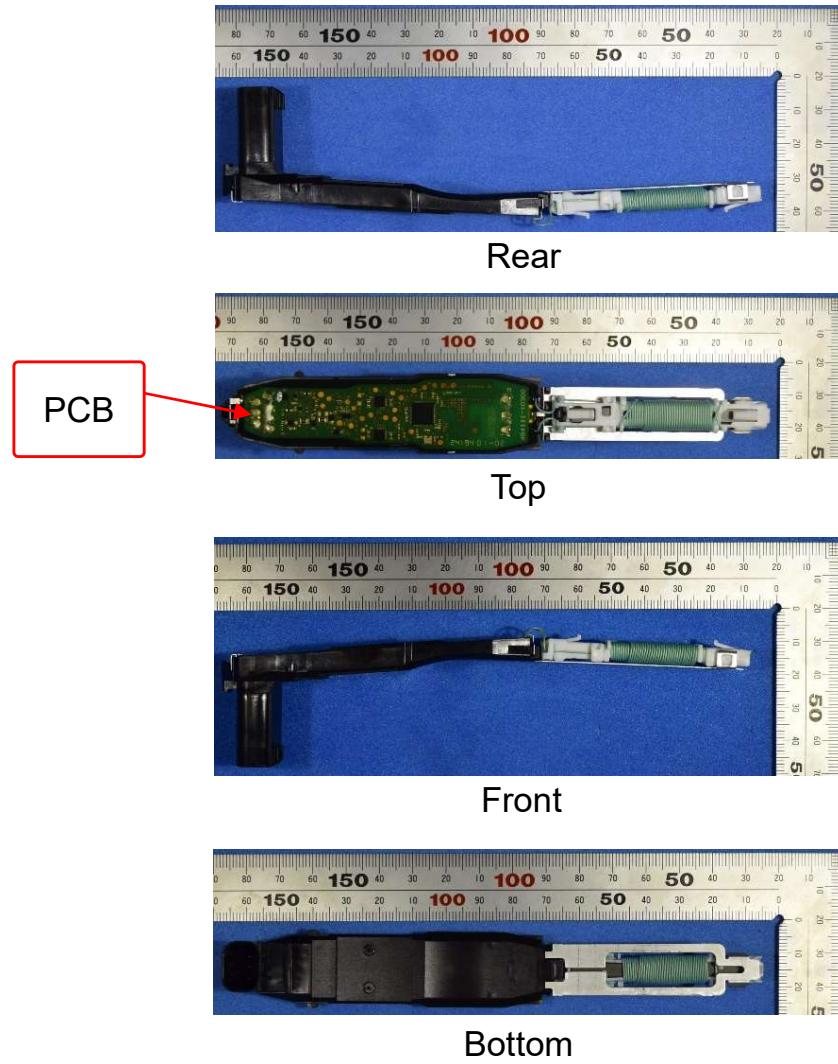

Figure 8 Internal

### “Attention”

- There may be a slight shape change. It has no influence on the characteristics of UWB.
- This product includes the LF antenna, which is a function of other system, and it is independent from the UWB function and has nothing to do with the radio wave certification of this product.

## 8-3. PCB (with SW)

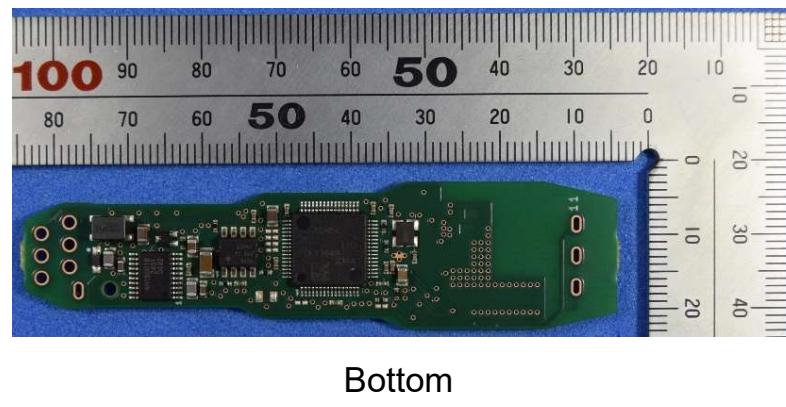

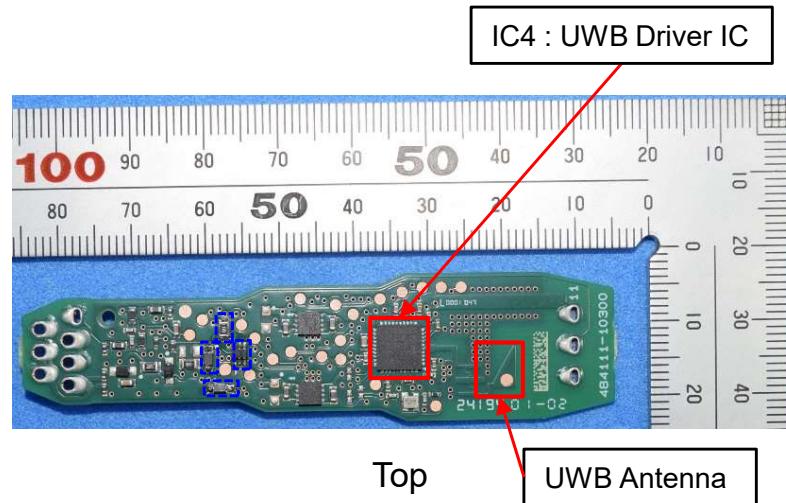

Figure 9 PCB (with SW)

“Attention”

There are the variations of the presence or absence of SW (blue frame). It has nothing to do with UWB function.

## 8-4. PCB (without SW)

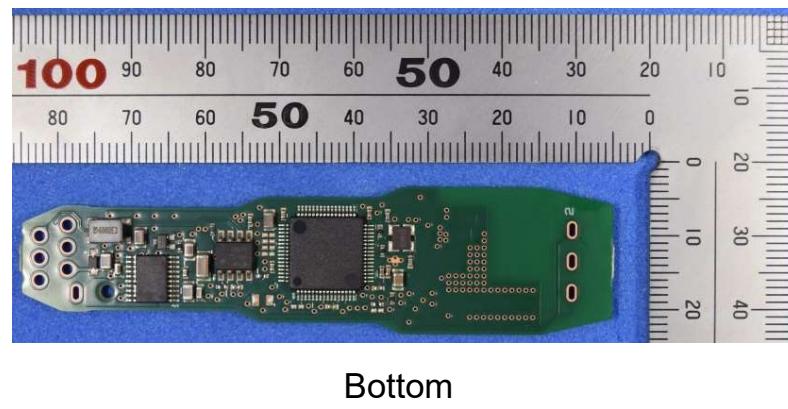

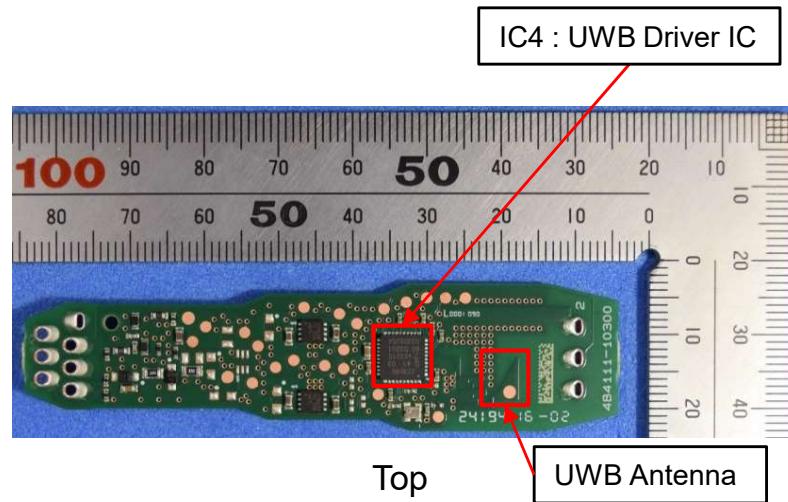

Figure 10 PCB (without SW)
