VEHICLE

TO REMOVE THE BATTERY LID, USE SCREWDRIVER TO TURN THE SCREW IN ANTI-CLOCKWISE

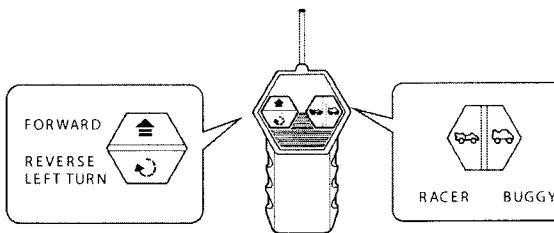

USE 3 X "AA" SIZE (1.5V) BATTERIES WITH POLARITY AS SHOWN INSIDE BATTERY COMPARTMENT (ALKALINE BATTERIES ARE RECOMMENDED)

OPERATING THE VEHICLE AND THE TRANSMITTER

- ★ Switch Vehicle to ON position.
- ★ Operate your Vehicle in a dry, open area, do not drive in the street. Keep away from sands and water.
- ★ Do not operate your Vehicle too far away from the transmitter, your signal strength will become weak and Vehicle will not function properly. The maximum range for the vehicle should be between 40 to 60 feet (15 to 20 metres), when operating outdoors. For best results, hold Transmitter antenna up, not pointed down towards R/C Vehicle.
- ★ Turn Vehicle switch to OFF position when not in use.

TRANSMITTER CONTROLS

CAUTION WHEN USING BATTERIES

- ★ Do not mix old and new batteries
- ★ Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- ★ This product contains a nickel-metal hydride battery which must be recycled or disposed of properly.
- ★ Do not burn or puncture battery. Like other batteries of this type, it could release toxic material if burned or punctured.

RADIO INTERFERENCE

- ★ Meets Canada 210 requirements
- ★ Model number 00013
- ★ Carrier frequency: 27.14 MHz - RF output power: 2 μ V/m
- ★ Carrier frequency: 49.86 MHz - RF output power: 4 μ V/m
- This device complies with Part 15 of the FCC rules.
- Operation is subject to the following two conditions:
- ★ (1) this device may not cause interference
- ★ (2) this device must accept any interference, including interference that may cause undesired operation of the device.
- The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
- ★ Conforms to ASTM F963
- ★ Tested to comply with FCC standards.

WARNING:

FCC Regulations state that Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Not suitable for children under 3 years due to small parts only.
Do not pick up the Vehicle when it's moving or transforming.
