RE: Trine Access Technology  
(018-1 FCC Filing)

Dear Mr. Scott Wentworth,

This letter is in request of Retlif, as agent, to perform testing and FCC filing for USA/Canada, on Trine Access Technology, product 018-1 wireless transmitter.

A handwritten signature in black ink, appearing to read "G. Ferguson". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Gary Ferguson  
Technical Manager
