Waio, Inc. requests that the theory of operation, block diagram, parts list, and schematic diagram submitted within this application for Certification be withheld from public inspection pursuant to the provisions of Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules.

The information contained within this application is confidential to Waio, Inc. and took considerable time, effort, and expertise to develop. If the information were available to other potential competing companies, they could forgo most of the development time and expense, providing them with a potentially damaging and unfair competitive advantage.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

Thank you,

Timothy J. DePumpo
President
Waio, Inc.
