Gentlemen,

In accordance with 0.459 of CFR 47, Höft & Wessel AG hereby requests confidentiality of

attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product which Höft & Wessel AG considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Höft & Wessel AG considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
