**In re: Höft & Wessel AG  
FCC ID: PGMHW86600001  
Class II Permissive Change  
Request for Confidentiality**

In accordance with § 0.459 of CFR 47, Höft & Wessel AG hereby requests confidentiality of the attachments for the already granted application as outlined below.

**Circuit Diagrams  
Parts List**

These documents contain detailed system and equipment description and related information of the product which Höft & Wessel AG considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Höft & Wessel AG considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Sebastian Köhler  
technical project manager
