Federal Communications Commission
445 12th St. S.W.
Washington DC 20554

Subject: Request to withhold information: schematics and diagrams from public disclosure

We, **Audisoft Technologies**, would like to request that information: schematics and block diagrams submitted as exhibits with our applications (**FCC ID PH9TX01**) for certification be removed from public disclosure as per Section 0.459 of FCC Rules.

Certification:	FCC ID:	PH9TX01
	Name of grantee:	Audisoft Technologie
	Equipment Class:	Part 15 Low power Communication Device Transmitter
	Note:	Audio/video transmitter for hearing impaired

Schematics and **block diagrams** are strictly confidential and are restricted only to specific employees of Audisoft.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize withholding from public inspection:

- Materials which would not be privileged as a matter of law if the material are considered confidential by the person submitting them, and;
- Materials that are not customarily released to be public by that person.
