

Internal Photos

PCBA Top

A photograph of a blue printed circuit board (PCB) for a mobile device, showing various electronic components like capacitors, resistors, and integrated circuits. The board has four gold-colored mounting holes. Text labels include "DO NOT COAT", "BT_TX", "BT_CTS", "BT_RX", "BT_RTS", "BT_UART", "BT_SW202-K", "SW200", and "256".
