

Vantage Controls Inc.

2240 Campbell Creek Blvd Ste #110,
Richardson, Texas,
United States 75082

Declaration of Module Limiting Conditions

8/10/2023

We

Name: Vantage Controls Inc.

Address: 2240 Campbell Creek Blvd Ste #110, Richardson, Texas, United
States 75082

declare that the following product,

FCC ID: PII-31405

Only be used on the host devices developed by Vantage Controls Inc. All the host
devices are in conformity with FCC rules:

FCC Part 15 Subpart C (15.247)

The following instruction, allow the object of the declaration described above to operate
as intended and in conformity with FCC rules.

The ETII RF V2 Module is a RF module with antenna, it does not include the
transmitter control element. Host device controls the RF module by SPI. All the host
devices use the same configuration settings for the ETII RF V2 Module controlling.
