Overall Assessment Letter for the Raymarine 4KW Digital Marine Radar

FCC id: PJ5-18DD4KW

I have assessed the above referenced submission for the Digital Marine radar and found it to be compliant.

The product is a light marine navigational radar intended for use on non-IMO vessels and small workboats.

There were no points of non-compliance which arose during the evaluation:-

I underwent the FCC SAR evaluation training at BABT in May 2006 and July 2007.

Yours sincerely
