Dear Sir

Subject: Applications for FCC Certificates of Approval for Raymarine GS195 multifunction display

Please find enclosed the FCC application for the GS195 multifunction display, part number E70213. This is intended for use on non-IMO leisure craft and small workboats.

The display extends the existing range of Raymarine GS displays using existing electronics with a larger LCD panel, addition of an HD-SDI video interface and the removal of one ST^{HS} port.

The display contain a Wi-Fi / Bluetooth module which has been used on previous Raymarine displays, E7, e127, e165, a6 WIFI etc.

If you have any queries regarding the application, please contact myself or Paul Pitt on the following:
