

RADIO CONTROL CAR (model: PK46700)

OPERATING INSTRUCTIONS

BATTERY LOADING

(FOR MAXIMUM PERFORMANCE, USE ALKALINE BATTERIES)

Remember to remove all batteries from the car and the transmitter after playing.

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries.

VEHICLE

Slide the ON/OFF switch at the bottom of the vehicle to the "OFF" position.

Open battery case cover and insert 4 x 'AA' size batteries as indicated, following the engraved (+) (-) signs.

Replace the battery case cover.

TRANSMITTER

Slide open the battery case cover and insert 1 x 9 volt battery inside following the engraved (+) (-) signs.

Replace the battery case cover.

NOTE: REMOVE ALL BATTERIES FROM THE VEHICLE AND TRANSMITTER WHEN NOT TO USE.

HOW TO PLAY

1. Slide the ON/OFF switch at bottom of the vehicle to the "ON" position. Then the vehicle will go backward in circular path.
2. Pull the trigger on the transmitter, the vehicle will go straight-forward.
3. Release the trigger, the vehicle will run backward again in circular path.
4. Slide the ON/OFF switch to the "OFF" position to make it stop.

IMPORTANT!

- Replace battery when the vehicle runs slowly.
- Electrical CB interference, mobile phones, air conditioning, elevators, steel girders in building will affect the operation of your vehicle.
- Install the batteries in the correct polarity.
- Be sure to rest your vehicle after running consecutive periods of 20 minutes or more.
- Don't run the vehicle over grass or thick carpet.
- Don't go through water or fire.
- Don't bend antenna.
- For your safety never play the vehicle on the street.
- Beware of the detachable small parts, which are harmful to children.
- Put the packing materials in trash and keep your city clean.
- The users manual or instruction manual for an intentional or unintentional radiator shall caution the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
