Technical drawing of the bottom view of a laptop chassis, showing internal components and dimensions. The drawing is oriented horizontally, with the top edge of the laptop (hinge side) at the top.

Key components and dimensions labeled:

- Service Tag:** 71.5x5.5mm, located near the top center hinge.
- MiI 40x20mm:** A rectangular component located on the right side.
- 34x11mm:** Four rectangular components arranged vertically on the left side.
- Dimensions:**
 - 10 (horizontal distance from the left edge to the first 34x11mm component).
 - 10 (horizontal distance from the right edge to the MiI 40x20mm component).
 - 2 (vertical distance between the four 34x11mm components).
- Agency label 2:** A label located in the center, below the main component area, containing regulatory markings (CCC, CE, etc.) and text.
- Mg:** A small label located on the left side, near the bottom edge.
- Internal Components:** The bottom section shows various internal components, including a large battery area with circular cells, a keyboard area with circular keys, and other electronic components.
