**SUBJECT: Novatel Wireless Inc.
FCC ID: PKRNVWMC760
Class II Permissive Change
Orig. Grant Date: September 18, 2008**

Gentlemen:

Transmitted herewith, on behalf of Novatel Wireless is an application for a Class II Permissive Change Certification of the MC760 Cellular/PCS CDMA USB modem with EvDO.

The device is identical to the previously certified MC760. This Class change is being requested to add single modular approval.

Should you have any questions or comments concerning the above, please contact the undersigned.

Sincerely,

Todd Gallagher
Manager - Regulatory Engineering
Novatel Wireless Inc.
