Subject: CORRECTed ANSWER: Arcwave, Inc. FCC ID:PLRAX125500, AN03T3396

Hi Mike,

Arcwave notified me the antenna spec. they provided last time is incorrect, here are the revised answers with correct spec.

Question #1: Please provide antenna specification sheet.

<Claire>no formal antenna spec. per client.

>The strand mount (AX1255) antennas are:

> >

> >TX gain - 11 dBi

> >Beamwidth - 90 degrees

> >

> >RX gain - 10 dBi

> >Beamwidth - 90 degrees

Question #2: Section 2 EUT description, the frequency band information does not match with operating frequency of the device. Please make necessary correction.

<Claire>pls see revised test report.
