RE: Request for FCC ID change

Gentlemen:

This letter is a request for a FCC identification number change for a pending application submittal. Genex Electronics Co. LTD. requests that the FCC identification number be changed from PM3 FRS-300 to PM3 FRS300. The Application Form 159 with filing fees attached, for Certification of Intentional Radiators operated in the Family Radio Service (FRS) frequency range of 462 and 467 MHz, has been completed and funds electronically transferred for the above mentioned application. A new FCC ID label has been submitted and uploaded to the FCC web page.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Scot Rogers". The signature is written in black ink and is positioned above the printed name and company information.

Scot Rogers
