Re Application Name Danfoss Randell Ltd  
FCC ID PO7TP75RF

Gentlemen

Replies to the points. In the SET ASIDE for above Grant.

- 1) Section 15.231(a) the device does not transmit temperature data but only an on/off command for the boiler (Technical Description 2 Part 10a).
- 2) Section 15.231(a)(3) Danfoss Randall Ltd are changing the 5 minute polling transmission to 1 per hour to comply with this part (Technical Description 2 Part 10b2) and will change any that have been imported as soon as possible.
- 3) Internal and External Photos resubmitted.
- 4) Schematics resubmitted.
- 5) New FCC Label resubmitted. The statement Section 15.19(3) has now been put on the instruction and installation guide and these have been resubmitted to comply with Section 15.19(5)

I trust this action will enable you to reissue the Grant without any further action required if not please contact me again.

Sincerely

Dave Fisher  
CTMS.
