

Engineering and Testing for EMC and Safety Compliance

June 25, 2001

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

To Whom It May Concern:

On June 19, 2001, I uploaded the report and supporting documents. We have found that incorrect information and data was sent to the FCC by mistake. Please see the following list of replacement files for this application and please disregard the previous documents, as they are incorrect. Please note that the 731 form has some incorrect information and the correct information is shown on the cover page of the report.

- Schematics
- Parts List
- Test Report
- Internal Pictures

Best Regards,

Melissa Carter
