Antenna cosmetic	 A close-up photograph of a silver, cylindrical antenna component. It has a threaded base and a smooth upper section. A stainless steel ruler is placed vertically next to it for scale, showing the antenna is approximately 25mm long. The ruler has markings in centimeters and inches, with '20°C (68°F)' and 'STAINLESS STEEL' printed on it.	 A close-up photograph of a silver, cylindrical antenna component, similar to the original but with a slightly different design. It also has a threaded base and a smooth upper section. A stainless steel ruler is placed vertically next to it for scale, showing the antenna is approximately 25mm long. The ruler has markings in centimeters and inches, with '20°C (68°F)' and 'STAINLESS STEEL' printed on it.
Case have been changed	 A photograph of a silver flip phone with a black front cover. The phone is closed, showing the front cover with a camera lens and the 'PANTECH' logo. The phone is placed on a white, textured surface.	 A photograph of a silver flip phone with a black front cover. The phone is closed, showing the front cover with a camera lens and the 'PANTECH' and 'TELUS' logos. The phone is placed on a white, textured surface.
