

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

April 7, 2008
Dear Examiner:

We request the following portions of our application be withheld from public inspection as provided under FCC section 0.459:

Block Diagram, Schematic & Antenna Spec Sheets

These documents contain details of the proprietary operation of the product not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

Sincerely,

Michael Green / Manager, Global Product Compliance
Atheros Communications Inc.
