Ref: FCC Class II Permissive change for FCC ID: PPD-QCNFA344AH  
(Original Grant date: 28 May 2015 with reference to C2PCs dated 21 August 2015 and 28 February 2017)

Dear Examiner,

This is to request a Class II permissive change for FCC ID: PPD-QCNFA344AH, originally granted on 5/28/2015.

The major changes filed under this application are:

- Alternate model antennas as described in the reports.
- Alternate antenna locations for same model host as described in the reports. Separate RF exposure reports are provided for each antenna location to demonstrate compliance.
- Alternate model and size display screen from filing dated 02/28/17
- Channels 12 and 13 are not used in this module / host combination, and are disabled via software.

Please note the following additional information with respect to this application:

- Module was originally integrated into this host under the C2PC dated 02/28/17.
- Software security remains unchanged from the original application.
- Device was tested in accordance with the new U-NII rule adopted under Docket No. 13-49, per C2PC grant dated 08/21/15.

If you have any questions regarding this application, please feel free to contact me.

Best Regards

Mark Ortlieb
