

Appendix A

Photo

Sample	
Front view	Rear view
 A photograph showing the front view of a small electronic component, likely a Wi-Fi module, resting on a light-colored wooden surface. A metal ruler is placed horizontally below the component for scale. The component has a white label with text including 'FRU PN: 01A4709', '85SW10H97461L1CZ', '78V12TD ECK 374403', '133644889F20013', 'VDD', 'NFA435A', and '(WW)'. There is also a QR code on the label.	 A photograph showing the rear view of the same electronic component. The component is green with gold-colored pins on the right side. A white label on the left side features a CE mark, a 10-year warranty symbol, and other regulatory information. A metal ruler is placed horizontally below the component for scale.
Test position	
Bottom surface (0mm)	N/A
 A photograph showing the test position setup. A black electronic device is mounted on a green metal stand. A white rectangular block is placed on top of the device. The setup is in a laboratory or workshop environment with other equipment visible in the background.	N/A
