

Back of EUT

Contains Transmitter Module:

FCC ID: PPD-QCNFA435

IC: 4104A-QCNFA435

Label Location

A diagram of the back of an EUT (Equipment Under Test) represented by a large rounded rectangle. In the bottom right corner of this rectangle is a smaller rectangle representing a label. The label contains the text 'Contains Transmitter Module:', 'FCC ID: PPD-QCNFA435', and 'IC: 4104A-QCNFA435'. An arrow points from the text 'Label Location' below the main rectangle to the bottom-left corner of the label rectangle.
