**Re: Ssentech Co., Ltd.
FCC ID: PPPCWH-100
FCC Part 22 Certification
Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, Ssentech Co., Ltd. hereby requests confidentiality of the block diagram, circuit diagrams, circuit description, operational description, antenna specifications, parts list, and tune-up procedure attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Ssentech Co., Ltd. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Ssentech Co., Ltd. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

David Kim
Manager of Mobile Communication R&D Lab.
