Errata for: Philips Telemonitoring Set Instructions for Use, Issue 7

This Errata includes additions, deletions, or changes that are associated with the Philips Telemonitoring Set Instructions for Use, Issue 7 published May 2011.

The follow statement is an addition to the Instructions for Use.

“This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.”
