To Whom It May Concern,

Please be advised that the Caterpillar Inc. FCC ID: PQMTWS, IC:4071A-TWS, is applying for a 'Family Certification' where the HVIN will depend on the size of the link that this device is assembled into. As an example, our D6 Track Link Assembly is Caterpillar Part No. 580-2222 and the HVIN would be HVIN: 580-2222. Our D7 Track Link Assembly is Caterpillar Part No. 595-3648 and the HVIN would be HVIN: 595-3648.

Caterpillar has a label template released that allows each factory to print the appropriate HVIN for the link they are producing. The following Caterpillar Part Numbers will be applicable HVINs for the 'Family Certification'.

595-3635	595-3640	595-3644	595-3649	595-3655	595-3659

595-3639	595-3643	595-3648	595-3654	595-3658
