Dear Mr. Kwon,

Thank you for your recent applications on behalf of Wingcom Co., Ltd. I have reviewed both applications and have issued a grant for the receiver, PR7WM-210R, please see attached. The following issues must be addressed on the transmitter, PR7WM-210T, before processing can continue.

1. The Block Diagram submitted did not come through correctly, please resubmit.
2. Please provide schematic diagram for the device.
3. Please provide plot to show bandedge compliance
4. Please indicate the antenna used for the measurements reported in Section 5.1 Field Strength of the Carrier Test of the test report.

Please provide the above detailed items so that processing on your application may proceed.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
