Subject: Tune-up procedure

To whom it May Concern:

Per your requested, you can find the **tune up procedure** is on the operating manual under section **1.2 General Description**:

.... The only adjustment available is a manual setting for the static transmit power at the Remote Transceiver which may be used to optimize coverage, if necessary. This is a one-time adjustment during set up.

Please feel free to contact us with any questions you may have about this letter.

Sincerely,

Gary Grimes
