Re: Change in Identification FCC: QRF-PVE35XBY

By present letter we authorize the Department to use information on file to grant a certification for currently approved equipment to Aperto Networks as established under CFR47 2.933(b). The model numbers of Tranzeo Wireless products are as it follows: TR-WMX-35-N, TR-WMX-35-17, TR-WMX-35-20 under the certification number QRF-PVE35XBY granted on August 8th, 2008. The model numbers of Aperto products are as it follows: PM120-3GF-N, PM120-3GF-17, PM120-3GF-20 and PM320-3GF-N, PM320-3FG-17, PM320-3GF-20 under the certification numbers PS6PM120-3G.

The products listed are identical in design and construction to the originally approved models. Original tests results continue to be representative of and applicable to the equipment bearing the changed identification.
