Re: Class 2 permissive change application

Applicant: Aperto Networks Inc.

FCC ID: PS6R3000-A2
Date of Original Grant: 13 December 2002

Dear Mike,

On behalf of my client Aperto Networks, please find application and supporting documents for a class 2 permissive change on the referenced FCC identifier.

The change is the addition of a 15dBi omni antenna. No change has been made to the previously certified radio in any way.

If you have questions or need further information, please don't hesitate to contact me.

Sincerely,

THOMAS N. COKENIAS
