

## **SEMKO COMMENTS TO FCC QUESTIONS REGARDING FCC ID PT4COMPASS**

### **Item 1**

Photo and information of the headset, used at SAR measurement, will be provided in week 27.

In the document “SEMKO FCC QUESTIONS RELATING TO WS609286”, BABT has been answered your question no. 1 as if the question relates to the BABT test report. You may be a little confused by their answer.

### **Item 3**

New User Manual, including RF Exposure text, will be uploaded in week 27
