Re: Philips Industrial Activities submittal for Spread Spectrum System, FCC ID:  
PT5TSU9600

Gentlemen:

Philips Industrial Activities, herein submits an Application for Equipment Authorization for certification of a digital transmitter under FCC Rules Part 15.

Philips Innovative Applicatins requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Circuit diagrams submitted as attachment: "schematics".
2. Block diagram submitted as attachment "block diagram".
3. Theory of operation submitted as attachment "operational description".

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Philips does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 410-531-3439, by fax at 410-531-0807, by email at [jinglis@erols.com](mailto:jinglis@erols.com), or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,

**(signed)**
