U.S.A.

**Subject: Request for withholding from public disclosure the schematic diagrams and system block diagrams pursuant to an application for certification.**

**Applicant:** Gecko Electronics Inc  
**Product:** Buoyant Operating Spa System (B.O.S.S.)  
**Model:** in.k707 transceiver  
**FCC ID:** PTT-INK707

Dear Sir/Madam,

We, **Gecko Electronics Inc**, would like to request that the **schematic diagrams, system block diagrams, parts list and operational description**, submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules. This request is made under the provisions of Section 0.457(d) of the Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act. These sections authorize as a withholding from public inspection materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.
