The product: Paddle Switch; Toggle Switch  
model No.: CSWONBLPT2/MSWF; CSWONBLTT2/MSWF  
FCC ID: PUU-CSWONBLXT2

Motion button dimmer has the same electrical construction and mechanical construction with Button Dimmer. The differences are listed below:

Paddle Switch	Toggle Switch
The positions of the buttons and indicator light patches are different. The indicator light on Toggle Switch is located at the top of the PCB, and the buttons are attached both up and down. The indicator light on Paddle Switch is located at the bottom of the PCB, and the button is located at the bottom of the PCB with different specification. all these changes do not degrade the unwanted emissions of the certified product.
