

## Limited Module Approval Request Letter

**Subject: Limited Modular Approval**

**Date: 2009-05-08**

**FCC ID: PV7-BLUEBEAR**

We, lesswire AG authorize Eurofins Product Service GmbH to have our model: AN00K47934 approved under limited module approval authorization. The application of this module is specified to mobile host equipment. The requirements regulated in Public Notice DA00-1407 have been clearly explained below.

1. The module does not fulfil the requirement of RF shielding.
2. The requirement of buffered inputs: Buffered data inputs stage has been integrated in **BLUEBEAR Bluetooth module**.
3. The module does not fulfil the requirement of power supply regulation.
4. The requirements of section 15.203 and 15.204(C): The requirements of antenna connector and spurious emission have been fulfilled. Please reference the exhibition Test Report.
5. The requirement of stand-alone test configuration: Please reference exhibition Test Configuration Photo for the stand-alone test configuration.
6. The requirement of labelling: The instruction on the labelling rule of the end product has been stated in the Users manual of this module. Please also see the exhibition Label Sample.
7. The requirement of compliance on specific rule or operating requirements: The required FCC rule has been fulfilled and all the instructions for maintaining compliance has been clearly stated in the Users Manual.
8. The requirement of RF exposure: Please refer exhibition RF Exposure for the compliance of MPE RF exposure rule.
