RE: CONFIDENTIALITY REQUEST FOR BodyMedia AB155

FCC ID:PV8-155

IC: 4745A-155

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following sections required to be submitted with this application be permanently withheld from public review.

- Schematics
- Detailed block diagrams
- Detailed operational/functional description

Rationale for request for confidentiality:

BodyMedia, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Please contact me if there is any information you may need.

Sincerely,

Scott K. Boehmke
Director of Hardware Development
BodyMedia, Inc.
