

American Telecommunications Certification Body Inc.
6731 Whittier Ave, McLean, VA 22101

December 18, 2001

RE: Grandtec Electronic Corporation

FCC ID: PVCGTP205

I have a few comments on this Application.

- 1.) Please supply an FRN with this Applicant. Beginning December 3, all entities doing business with the FCC must be registered and have their own unique FRN. Please go to the following link to obtain this number: <https://gullfoss2.fcc.gov/cores/CoresHome.html>
- 2.) Please note that Internal Photos cannot be held Confidential. Please correct.
- 3.) FYI: Please note you may wish to include the Parts List and Block Diagram in your Confidentiality request.

Thank you.

A handwritten signature in black ink, appearing to read "William H. Graff".

William H. Graff
President and Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
